Denis O'Mahony, FCCA

Denis O'Mahony is an FCCA-qualified accountant and finance professional with over 13 years' experience across industry, financial services, and practice. His experience spans financial accounting, auditing, management accounting, and financial reporting within multinational and multi-entity environments.

Having worked both in practice and industry, Denis has experience conducting external audits as well as supporting companies through internal and external audit engagements, giving him practical insight from both the auditor and client perspective.

Alongside his professional career, Denis lectures in Accounting and Finance at Griffith College Cork, delivering modules in Financial Accounting, Auditing, Corporate Finance, Financial Management, and Performance Management. He has also delivered international, Management Accounting lectures to undergraduate students at Hebei Finance University in China.

He is passionate about supporting students in developing both technical accounting knowledge and practical industry understanding"
