Support from Paula			
There is also a very active WhatsApp group that Paula sets up each year where Paula answers any ATS related queries. Paula is always at the end of a WhatsApp message should you require any assistance			

**Paula Byrne FCCA, MBA**

Paula Byrne was awarded the national teaching hero award 2021, as nominated by her ATS 2020 students. She believes that passing the ATS paper is all about continued hard work and commitment from the onset. She provides the motivation for students to achieve and maintain the necessary commitment over the entire two semesters. Paula's lectures are extremely interactive and she is very much hands on. As a result her students achieve excellent pass rates as well as having the CPA 1st prize winner for many years now.

**Caron Coffey ATI, ACCA**

Caron Coffey is an experienced tax lecturer and exam coach who has specialised in professional accountancy training for a number of years. She has a strong track record of guiding CPA, ACCA and other professional students through Advanced Tax Strategy and related papers, with particular expertise in building exam technique and confidence under time pressure.

Caron combines her technical knowledge of Irish taxation with a highly practical, student-focused teaching style. She is especially known for her ability to break down complex legislation and case law into clear, exam-relevant guidance, and for her commitment to helping students maximise marks through well-structured answers.

In the CPA ATS programme, Caron will focus on past papers, exam-standard questions and revision, complementing the technical theory sessions to ensure students are thoroughly prepared for success in their final exams.
