

Griffith College Social Media Code of Conduct

At Griffith College, we are proud of our values of being student-centred, pursuing academic excellence, showing agility and adaptability, maintaining a career focus, embracing diversity, fostering friendliness, and practising responsible stewardship. Our social media spaces reflect these principles, creating a positive, welcoming environment for all users.

Our Commitment

We are committed to maintaining respectful, safe, and engaging platforms where all individuals are valued and heard.

Our Community Standards

Respectful Communication

- Engage thoughtfully and respectfully.
- Value differing perspectives while maintaining a positive tone.

Zero Tolerance for Harmful Behavior

- Racism, hate speech, discrimination, harassment, or any form of abusive behavior will not be tolerated.
- Such content will be removed immediately, and offending users will be blocked.

Accuracy and Integrity

- Share only accurate, reliable information.
- Misinformation, defamatory statements, or intentionally misleading content will be addressed promptly.

Alignment with Our Values

- Foster an environment that promotes **academic integrity, innovation, collaboration, and global understanding**.
- Reflect the spirit of Griffith College in all engagements.

Consequences of Breach

- Immediate deletion of harmful or inappropriate content.
- Blocking of offending accounts.
- Reporting serious incidents to the relevant platform authorities.

Reporting Harmful Content

If you encounter a post or comment that violates these standards, please report it directly to our page admins or through platform-specific reporting tools. We are committed to taking swift, appropriate action.

Why It Matters

By upholding these standards, we ensure that our online communities remain places of learning, inspiration, and support, true to the mission and vision of Griffith College.

Griffith College is committed to maintaining a positive and professional online environment where meaningful engagement can thrive. Our social media platforms are an extension of our community values, a space where respect, inclusivity, and integrity guide every interaction.

By promoting thoughtful dialogue, addressing inappropriate behavior promptly, and setting clear standards for participation, we are ensuring that our digital presence reflects the excellence and diversity that define Griffith College.

We appreciate the contributions of everyone who helps to build and sustain this community. Together, we are creating an online environment where all individuals feel valued, supported, and inspired to engage.
