An example of Academic Study Form

During the first two weeks of the semester students can attend classes, to find out which modules they want to follow during the semester.

Students are required to submit their fully completed **Academic Study Form** to the **Semester Abroad Administrator in Academic Administration Office** (semesterabroadadmin@griffith.ie) **not later than 12th of February 2027** to confirm their module choices.

After submitting the **Academic Study Form**, students will be registered for their modules of choice. Once registered, students will gain access to **Moodle** (the Griffith College Online Learning Platform).

Module registration normally takes up to three days.

This procedure will also be explained in detail to the students at their International Office Information Session in February.

Should I choose modules from one faculty only?

Students are permitted to choose modules across different faculties, subject to the approval of their home institution. They can only choose modules which appear in this **Course Listings** document.

I have already submitted my Academic Study Form to the International Office, but I would like to change my module/modules. Can I do that?

Once a student submits their **Academic Study Form** to the Semester Abroad Administrator, they **cannot** change their modules.

How many modules can I choose if I am a Semester Abroad/Study Abroad Programme student?

Students can choose modules up to a **maximum** of **30 ECTS** credits per semester.

For students who are not native English speakers, the number of modules depends on the students' **English language level**.

Please see below how a given level of English corresponds to the number of modules that Gap Programme students can take:

Griffith College Placement Test	Number of modules per semester
B2+/C1/C2	4 modules
B2-	2 modules +15 hours of English language
A0 – B1+	English Language only

Study Abroad/Semester Abroad Students - Letter from home institution

Study Abroad/Semester Abroad Students with an English level of **B2 or above, as verified by a letter from their home institution**, are permitted to study **four** modules in Griffith College.

Study Abroad/Semester Abroad Students - Griffith College Placement test

Students can take Griffith College's English language test prior to commencement of the semester to assess their level of English.

How many modules should I choose per semester?

Students normally select up to 4 or 5 modules per semester for an equivalent of 30 ECTS credits. This is subject to their level of English as stated above.
