Ger Roche ACMA:

Lecturer Profile:

Ger has been lecturing since 1992 and teaching management accounting for ACCA, CIMA and CPA for the past 15 years. In that time his students have had consistently excellent results with regular prize winners. Ger has an exam focused approach with an ability to simplify the more difficult areas of the subject. Recent comments from students include: *"I just wanted to let you know I passed my exam 69 %. I attended your revision course and I can honestly say that it was your notes and teaching that focused me on the exam."* *"I want to thank you for helping me pass the F2 Management Accounting. Your enthusiasm for the subject was clear to be seen and you made learning enjoyable."* *"I have to say that I honestly think your lectures and revision course were instrumental in getting to this point (Prize-winner 1st in Ireland). I really found your on-line lectures hugely beneficial and all the advice you gave right throughout the course meant that being an e-learner never felt like any different to attending the evening lectures. So once again sincerest thanks in helping me to achieve something that I never thought I would."*
