Procedures for Examination Centres

Procedures for Examination Centres

Entry forms, with particulars filled in and accompanied by fees, must reach the exams administrator as follows:

FOR EXAMINATIONS TO BE HELD BEFORE CHRISTMAS – 1st NOVEMBER

FOR EXAMINATIONS TO BE HELD BEFORE EASTER – 1st FEBRUARY

FOR EXAMINATIONS TO BE HELD AFTER EASTER – 1st MARCH

- **Any school or teacher presenting at least TWENTY candidates for examination in any one subject may secure a local centre for that subject.**
- Those presenting fewer than TWENTY candidates may obtain a centre by paying the equivalent to the fees of twenty candidates. Alternatively you may send the candidates to the nearest existing centre, providing that this is convenient for that centres' teacher.
- The school or teacher fixes fees on the assumption that the venue for examination will be provided.
- If through illness a candidate is unable to attend the examination at the appointed time, re-entry will be allowed for the same grade on payment of a transfer fee of €5.00, or for a higher grade on payment of the difference of fees, (plus a transfer fee of €5.00). Candidates who have been in contact with an infectious illness must not be presented for examination unless they are out of quarantine.
- The candidate's entry cards with dates and hours of examinations will be forwarded to each centre, within one week of the examination.
- The results of examinations will be forwarded as soon as possible. Responsibility is not accepted for loss of report cards after despatch by post. Where report cards have been lost the total marks obtained, but not the details, will be supplied on application.
- Heads of schools or centres are requested to ensure that the examination room is clean, warm and well lit, with a table and chair in the venue for the exams. Noise levels outside the exam room should be kept to a minimum.
- Teachers presenting students with additional educational needs should contact The LSMD office for advice regarding examinations.
- **Please note that any candidates wishing to cancel/postpone their old diploma exam within four weeks of the diploma exam date in December and June sittings will incur a €100 cancellation fee.**

Notes from The Examiners

Additional Educational Needs

Examiners request that teachers consult with the LSMD examiner in advance of the exam regarding any students that may have additional educational needs.

Previous recommendations from the examiners include:

- Examiners would like to talk to teachers about the timetable etc. prior to exams. When the teacher receives the exam details from us they can contact the examiner so you can co-ordinate the timetable, e.g. if you have given students times. This is to ensure that we all run to the same timetable and hopefully exam times will not run behind and we will keep delays to a minimum.
- Examiners have suggested that their contact details be sent directly to teachers so that the teacher can also contact them directly to discuss the exam timetable and breaks etc. We will endeavour to include this in with the Report Cards cover letter (if the examiner has been confirmed at that stage) or else the examiner will contact the teacher when they have been confirmed for the exams.
- When candidates are visiting another centre for exams it is requested that the candidate arrives fully prepared and the candidates teacher should be in attendance to liaise with the “host teacher” if required. **Teachers are advised that there may be a cost involved (especially of the host teacher is hiring the room by the hour) and if the visiting teacher’s students are doing high grades. Visiting teachers are asked to check this with the host teacher when confirming the exam time with the host teacher.**
- Teachers are advised to choose a varied repertoire when preparing students for exams.
- Examiners have advised that if a candidate does not reach the required standard during the exam, then the examiner will recommend “a deferral” for that candidate. They will be advised on the Report Card that they did not reach the required standard as set out in the LSMD syllabus and they will advise the student to re take the exam on another date.
- Please see further details of this and the LSMD Quality Assurance document on the website.
