

Module 7	Pedagogical Practice 2
Credits	5 ECTS
Tutor(s)	Mary O'Driscoll Orla Butler

Intended Module Learning Outcomes

On successful completion of this module, learners will be able to:

1. Design pedagogy that underpins achievement of module learning outcomes.
2. Demonstrate application of appropriate tools and resources to engage a diverse group of learners.
3. Use motivation and learning theories to create an engaging learning environment.
4. Defend (through research and experience) selection and application of suitable training and teaching techniques and resources.

Module Objectives

This module on the programme offers learners opportunities to develop their understanding of when and how to apply a wide range of teaching and training methods and techniques suitable to the needs of learner groups. Specifically, learners advance their ability to develop diagnostic and creative skills, which allow them, apply appropriate and relevant teaching and training supports and techniques.
