

<b>Module 3</b>	<b>Reflective Practice and Development</b>
Credits	5 ECTS
Tutor(s)	Rob McKenna

### ***Intended Module Learning Outcomes***

On successful completion of this module, learners will be able to:

1. Assess key professional issues as they impact on their professional lives.
2. Critically reflect and evaluate own professional practice and development.
3. Provide evidence demonstrating the capacity to improve professional performance in the teaching and training context.
4. Produce an ePortfolio, which can be used as a tool to support ongoing professional development throughout the programme, and beyond.

### ***Module Objectives***

This module allows learners determine how their own philosophies of education and training influences their pedagogy. They also learn how to become reflective and evaluative practitioners by understanding the reflective and on-going process of their own learning and development as a trainer and/or educator.
