Campus Accommodation in the Heart of the City

GHR Period of Home Quarantine

Dear Resident,

We're delighted to have you with us at Griffith Halls of Residence. We would like to welcome you to this apartment, in which you will undertake your period of home quarantine.

Before you read further, please remember that home quarantine is required for persons coming from your country and any infractions can be dealt with by Irish police, with potential visa implications.

We would ask you to please order shopping (not take away) on your first day in home quarantine. This will ensure you have a ready supply of food to see you through your period. Please order for delivery between 9am-5:30pm (excluding 1pm-2pm) Monday to Saturday so our office staff can bring it to your door. There is more information on this topic in the 'Shopping' section below.

Residents are permitted one period of outdoor exercise per day under HSE guidance. This exercise must be taken alone.

Aside from exercise, please do not leave your apartment for anything other than absolutely essential reasons.

We would like to thank you for your patience and cooperation over the next while.

What is Home Quarantine?

You can find [HSE guidance](#) on home quarantine here. Please pay particular attention to the full list of items our Government is advising you should not do undertake. GHR would stress this is the current advice and subject to change by our Government.

Shopping

GHR would encourage its residents to order groceries online to your apartment. We ask you to send shopping to the accommodation office the address should be as follows:

Accommodation Office, Griffith Halls of Residence, 145 South Circular Road Dublin 8, Ireland

We will then leave the groceries outside of your apartment for you to collect. Our office is opening Monday to Saturday between the hours of 09:00 till 13:00 and from 14:00 till 17:30. Please ensure your grocery delivery is requested for these dates and within the latter timeframe.

Please ensure you contact GHR with the information associated with your delivery 24 hours prior to the arrival time and date. This is to ensure we have the appropriate numbers of staff to deliver items to apartments. We would encourage residents to place orders as an apartment or family unit so one delivery is made. Here are some popular supermarkets around the area –
