

GHR Period of Restricted Movement Guidelines

Dear Resident,

We're delighted to have you with us at Griffith Halls of Residence. We would like to welcome you to this apartment, in which you will undertake your 14-day period of restricted movement.

Firstly, we would like to thank you for your patience and cooperation over the next 14 days.

We would like to share some essential information with you, which will help to make your time restricting your movement more comfortable.

What is restricted movement?

For a full and comprehensive definition of what restricted movement is please [click here](#). Please note the current requirements for same as featured on the HSE website. Please pay particular attention to the full list of items our Government is advising you should not do undertake. GHR would stress this is the current advice and subject to change by our Government. GHR is affording all residents who reserve any booking period with ourselves the ability to conduct their period of restricted movement from the arrival dates of the selected booking period. All our booking periods commence on 4th September 2020. Where possible and to assist with restricted movement we strongly urge as many residents as possible to arrive on this date. Please contact us on accommodation@ghr.ie prior to arrival if you are not able to check in on this date and further instructions will be given.

Reasons to Venture Outside Your Apartment

Under Government guidelines you can go outside to exercise by yourself as long as you keep 2 meters distance from other people.

You can go to the shops or pharmacy but where possible please order your groceries online.

You must wear a face covering whilst walking around the public areas of Griffith Halls of Residence at all time as maintaining physical distance is on rare instances difficult due to numbers entering and leaving the buildings at any time.

Shopping

GHR would encourage its residents to order groceries online to your apartment. We ask you to send shopping to the accommodation office the address should be as follows:

Accommodation Office, Griffith Halls of Residence, South Circular Road Dublin 8, Ireland

We will then leave the groceries outside of your room for you to collect. Our office is opening Monday to Friday between the hours of 09:00 till 13:00 and from 14:00 till 17:30. Please ensure your grocery delivery is requested for these dates and within the latter timeframe.

As we envisage having large numbers of residents at the start of our academic year undergo restricted movement protocol please ensure you contact GHR with the information associated with your delivery 24 hours prior to the arrival time and date. This is to ensure we have the appropriate numbers of staff to deliver items to apartments. We would encourage residents to place orders as an apartment or family unit so one delivery is made.

This app was released earlier this year and will allow health authorities to track and trace your contacts in the event you contract the virus and notify you in the case you have been in contact with someone who has contracted the virus.
