Timing:

You are requested to **arrive on campus at least 60 minutes prior** to the commencement time of your ceremony. This is to allow sufficient time to facilitate robing, photography, seating of guests and preparation for the academic procession.

You must be in the academic line, which is located in **Design Bunker (DS002)** 30 minutes prior to the commencement of the ceremony. This is to ensure that you are in the correct order when called to receive your parchment.

Important: Whilst every effort will be made to accommodate a late arrival, once the ceremony commences, we may not be in a position to include you in the ceremony and therefore, you will be conferred in absentia.

Parking

Limited parking spaces are available in the grounds of the college. These are located in the zones indicated on the college map, included at the end of this guideline. Additional paid parking is available on the roads close to the College.

Academic Robes

Academic robes are compulsory attire at graduation ceremonies. On arrival, you will be directed towards the robing area, which is located in the Ground floor of the A block – **C10 and C11**. The robing company will then ensure that you are gowned in the appropriate academic robes.

You will be provided 2 guest tickets once you check in and collect your robe. Please ensure you give your tickets to your guests before they enter the Auditorium.

All queries regarding robing should be sent to **info@armstrongandoxford.com**.

Ticketed Guests

Whilst you prepare for your graduation, your invited guests should make their way into the Auditorium, which is located on the 2nd floor of the AF building. All guests must produce tickets to gain entry to the auditorium. For those guests who are bringing small children, a seated area will be reserved to facilitate the storage of prams and buggies. This area will have easy access to an exit.

Photography

Lafayette Photography are the official photographers for Griffith College and have been authorised to take graduation photographs on the day of graduation.

If you wish to have personal photographs taken by Lafayette, it is advisable to pre-book your photography at <https://www.lafayette.ie/>.

All queries regarding Photography should be sent to **info@lafayette.ie**

Guest with Special Needs

If you or any of your guests have special needs please inform us at graduation@griffith.ie.

Please inform us as early as possible and in advance of your ceremony. Note that all guests must have a ticket to gain entry to the Auditorium.

Academic Procession

Once you have been robed, **please make your way to the Design Bunker (DS002). You should arrive no later than 30 minutes prior to the commencement of your ceremony.**

Please note that guests are not permitted to accompany graduands into this area.

Once you have been placed in line, please do not leave your position as it may result in you receiving the wrong parchment. If you leave DS002 you will not be permitted to re-enter and will be conferred in absentia.

The Ceremony

In preparation for the President presenting you with your parchment, you will be asked to queue together with all Graduands in your row and join the conferring group.

The President of the College will present your parchment to you and a photograph will be taken. You will then continue to the end of the platform and return to your seat.

At the end of the ceremony you will be led from the Auditorium to a room where group photographs will be taken to commemorate your special occasion. After this, you are free to join your guests for refreshments in Urban Square (restaurant below Auditorium) and enjoy the rest of your special day.
