Advertising Date: Monday 22nd July 2019

Closing Date: Friday 2nd August 2019
Interview Date: Monday 12th August 2019

Griffith College is an equal opportunities employer

All candidates applying for teaching posts must undergo a mock lecture before being interviewed; they may be asked demonstrate ability via portfolio.

Required Qualifications
Candidates are expected to have:

A bachelor degree in a design-related discipline. A postgraduate qualification (level 9 or above), or equivalent in a cognate discipline. Membership of a Professional body and any record of research, scholarship and publications are an advantage.

Successful applicants should have the following attributes:

- Proven teaching excellence and ability to support curriculum development;
- Demonstrated leadership and problem solving skills; applying user-centred design processes to solve complex problems
- Demonstrate a specialised knowledge of contemporary illustration drawing techniques using digital applications.
- A knowledge and scope and context of the illustrators' practice historically
- Knowledge of broad range of Illustration genres such as: Editorial Illustration, Children's Book Illustration , Comics and Sequential Art , Illustrating Fiction
- Experience of working in a positive, flexible manner.
- A willingness to arrange and participate in student trips and site visits.
- experience of openly exchanging information and supporting colleagues
- An understanding and commitment to Equal Opportunities and Diversity.

Guidelines for Mock Lecture
As part of the interview process, candidates are required to give a 5 – 10 minute mock lecture, regarding the interview panel as students.
The lecture should cover an item (or items) of the candidate's choice from an existing (or proposed) course offered by the Faculty or Department.
The candidate is free to use whatever medium and teaching aids are appropriate, including laptop and projector, but is encouraged to use new technology.
The lecture should not be the first lecture in a course, nor should it be an overview of a course.
The lecture will focus on explaining a particular aspect of the course to students who are unfamiliar with the topic.
The lecturer should begin by outlining any previous information that the students are expected to

know (e.g. "I'm assuming you know how to ...... which we covered last week").

Questions will be asked of the lecturer, either during or after the lecture.
