

GRIFFITH COLLEGE

<b>Job Title: Junior Systems Administrator</b>	<b>Reports to: Head of IT</b>
<b>Location: Dublin South</b>	<b>Job Type: Permanent (subject to probation)</b>

**Job Summary:**

We are looking for someone who is interested in working in an environment that will challenge you (and will offer you the support required to meet those challenges) and present an opportunity to expand your technical skills in a hands on role with great scope for personal growth.

Working in our main Dublin campus based at South Circular Road, we will give you the opportunity and freedom to plan and implement changes and improvements to all areas of technology in the college. We want you to grow your own skills whilst improving the services we offer.

You will work with our team sharing ideas and knowledge, learning from one another with access to all areas of systems administration across desktop and hardware support, security, Linux and Windows, networking and infrastructure etc. This role offers both freedom and responsibility whilst benefiting from mentoring from senior staff as you develop.

**Job Responsibilities:**

Responsibility includes help desk support and systems administration for all IT requirements of the College in our South Circular Road and Wolfe Tone Street campuses.

- Administration of GC IT help desk, resolving, delegating and escalating tickets as required.
- Administration of active directory, group policies, Office 365, Sharepoint, MS DHCP & DNS, terminal services.
- Maintenance of physical network environment including servers, switches, routers, firewalls, racks, patch panels, etc
- Maintenance of classroom A/V equipment (PCs, projectors, control systems)
- Application of security updates and patches to servers and clients as required
- Resolving operational problems relating to servers, PCs, printers, data communications, application software, etc.
- Configuration and deployment of servers and desktops.
- Monitoring and measuring operational performance (for e.g. with graylog, netdata, nagios etc.)
- Administration & maintenance of telephone system.
- Document tasks, policies and SOPs.
- Prepare operational reports as required.

GRIFFITH COLLEGE

**Working environment:**

- Windows & Linux servers. HyperV cluster and Dell SAN.
- Student network consisting of 250+ Windows 10 PCs (some dual boot with OSX).
- Staff network of 150+ Windows 10 PCs.
- Cisco switches and Fortinet firewalls
- Classroom A/V equipment including Panasonic & Hitachi projectors, Extron and Crestron control equipment.
- Any other duties that fall within the employee's capabilities.

**Minimum Education/ Experience Requirements:**

A suitable candidate would have at least 2+ years experience in the following technologies\*:

- MS Windows desktops troubleshooting.
- Printer maintenance.
- Active Directory & Group Policy
- Networking
  - Strong understanding of TCP/IP
  - Experience in MS DNS & DHCP administration and
  - Switch configuration
  - WiFi configuration

They should also possess the following attributes:

- Excellent customer service & communication skills
- Strong organisational and problem solving skills.
- Excellent written and verbal English-language.
- Flexible team player able to adapt to changing environment.
- Self motivated and quick to learn.
- Attention to detail.

In addition to the core skills knowledge of any of the following would be beneficial but they are not required:

- Linux (Postfix, Cyrus, Squid, Bind, Apache etc.)
- Scripting (any of php, perl, python, bash, vb, powershell etc.)
- Firewalls
- OSX
- Backup Solutions (Bacula or other enterprise scale systems)
- Systems Management Software (Nagios, netdata, graylog)
- Telecoms, PABX, VOIP (Asterisk)
- Must be legally entitled to work full time in Ireland for any employer.

## GRIFFITH COLLEGE

Applications can be sent directly to [opportunities@griffith.ie](mailto:opportunities@griffith.ie). If you would like to discuss the role in more detail please call +353 1 4163366 or email [john.molohan@griffith.ie](mailto:john.molohan@griffith.ie)

\*Candidates who do not meet the requirements may still be considered with up-skilling undertaken through MCSE, CCNA, LPIC, LinkedIn Learning or other courses which may be provided by the College. There is a strong emphasis on cross training within the department to transfer skills and knowledge. These candidates will be mentored by our senior administrators to develop their skill sets.

### **About Griffith College**
