

<b>Job Title:</b> PHP/Full Stack Drupal Developer	<b>Reporting to:</b> Head of IT Department
<b>Location:</b> Griffith College, South Circular Road or full time remote	<b>Job Type:</b> Full time, 12 month fixed term contract

**Job Summary:**

Griffith College is Ireland’s largest private higher education institute, with over 7,000 learners on four campuses in three cities and 45,000+ alumni. The college is expanding it’s digital team as it seeks to implement a series of exciting projects in 2022 to enhance its award winning digital platforms.

**PHP/Full Stack Drupal Developer (remote or on campus)**

**Full-stack Developer duties and responsibilities:**

- Take part in overall website application lifecycle (coding, debugging, testing, deployment and maintenance)
- Collaborate with co-workers and clients
- Describe and effectively provide technical requirements
- Provide accurate estimation of technical tasks
- Supply training, help, and support to other team members as needed
- Create high-quality secure and reusable code
- Build functional and sustainable web applications with clean code
- Stay up to date with current best practices and emerging technologies
- Bonus: experience with testing frameworks or test-driven development

**Full-stack Developer requirements and qualifications:**

- Experience with Drupal 8/9 and complex PHP projects
- 3+ year experience in web development
- Knowledge of JavaScript, ideally with ES6, ability to write vanilla JavaScript, and work with or support jQuery code
- Familiarity with HTML5 and CSS pre-processors like SASS and LESS
- Experience with Git or other version control
- Strong understanding of the web development cycle and programming techniques and tools
- Strong problem solving and verbal and written communication skills
- Working from Photoshop, Sketch, or Figma designs to translate responsive graphic layouts to code.

## GRIFFITH COLLEGE

- Experience with Drupal's Paragraphs, Layout Builder, and theme system, including PHP and Twig templating
- Custom module development
- Integrating Drupal via API with 3rd party tools (e.g., HubSpot, Salesforce)
- Bonus: experience with Docker, Composer, and cloud services, experience with Angular and/or Node.js.
- Bonus: Experience implementing accessible websites

### **The successful applicant will be:**

- Passionate about solving complex problems
- Self-motivated (ready to dig into a web search to solve a problem)
- Curious and ready to learn
- Able to communicate clearly and effectively in person and in writing (with co-workers and clients)
- Able to adapt quickly to changing client needs
- Committed to contributing to Drupal and the open source model
- Must be legally entitled to work full time in Ireland for any employer (if based in Ireland).

### **About Griffith College**

Established in 1974, Griffith College is Ireland's largest independent third level institution with locations in Dublin, Cork and Limerick. The main campus is situated on seven acres within a mile of St. Stephen's Green on Dublin's South Circular Road. Griffith College enjoys national and a growing international reputation for student success. The College has gained an enviable, award winning reputation for providing students with first class lectures and excellent study material. Griffith College offers internationally recognised postgraduate and undergraduate degree programmes, complimented by a wide range of professional, short term and corporate training educational solutions - in Griffith college, there is something for everyone. Today there are over 7,000 students studying in the College, which is a designated educational institute of the Quality and Qualifications Ireland (QQI).
