

GRIFFITH COLLEGE

Job Title: Science lecturer (QQI level 5)	Reporting to: GIL manager (Eveleen O'Brien)
Location: Griffith College Cork	Job Type: Part time 3.5 hours per week semester one and 7 hours per week semester 2

Job Summary:

The lecturer is primarily responsible for the delivery and assessment of assigned modules and is expected to play a very active role in the academic direction of students' learning and development including teaching, learning, assessment and administration.

Job Responsibilities:

- Deliver assigned modules in the field of Physics, Biology & Chemistry
- Work proactively in improving existing modules and provide feedback and guidance to the learners and Programme Director at the end of each academic term.
- Engage with the Programme Director on a regular basis and address concerns in a timely manner.
- Carry out assessment, monitoring and evaluation of examination, lab work and coursework, and provide this information to the Programme Director.
- Create and submit end of semester exam papers within the deadline
- Aid learners, with course content as required and in a timely manner.
- Participate in internal faculty meetings as required.
- Follow and adhere to the college's QA policies and procedures.
- Follow all guidelines on child protection and participate in approved and mandatory Tusla E-Learning programme as well as Garda vetting process.
- Any other commensurate duties that fall within the employee's capabilities.

Minimum Education/ Experience Requirements:

- Minimum level 8 (hons) degree in Science discipline
- Teaching qualification desirable but not essential
- Must be legally entitled to work full time in Ireland for any employer.
