

Lecturer in Web Design for Graphic Communication

Griffith College Dublin
Faculty of Design

Job description 1

Web Design for Graphic Communication

Applications are invited for the position of a part time web design lecturing role in the Faculty of Design for Level, 7 and 8 of Graphic Communication Design. We are looking for a Lecturer who is enthusiastic and passionate, not only about web design for Visual Communications - but also about the opportunity to share their knowledge with the Designers of the future.

This module equips learners with the skills to achieve creative design solutions by formulating a problem-solving approach and to successfully represent their vision through basic code. Learners work through project briefs which introduce various stages of design and development.

JOB TITLE:	Web design for Graphic Communication
REPORTING TO:	Faculty Head / Programme Director
HOURS OF WORK:	As per course requirements, additional hours as may be required in line with the needs of the service.
PURPOSE:	The primary focus of this post will be to play an active role in the academic direction of your module including teaching, assessment and administration.
Employing:	Griffith College
Location:	Dublin
Website:	http://www.griffith.ie

Informal queries can be made to the Design Faculty Dublin

Email: deirdre.doherty@griffith.ie

Advertising Date	08 July 2022
Closing Date:	Monday 15th August 2022
Interview Date:	Monday 22 nd August 2022

Griffith College is an equal opportunities employer

All candidates applying for teaching posts must undergo a mock lecture before being interviewed; they may be asked demonstrate ability via portfolio.

Required Qualifications

Candidates will be expected to have a Level 9 Qualification or equivalent in Interaction design, Graphic design, Web design or in a cognate discipline such in Visual Communication Design; proven teaching excellence and ability to support curriculum development; demonstrated leadership and problem solving skills; excellent interpersonal skills; and the ability to build relations and to work collaboratively. Membership of a Professional body and any record of research, scholarship and publications are an advantage.

Successful applicants should have the following attributes:

- **A keen interest in Web Design for Visual Communications covering using Adobe CC & Webflow.**
 - (i) Design and implement a simple, functioning HTML and CSS site.
 - (ii) Plan the structure and extent of a website viewed across multiple screen formats, in prototyping and design methodology.
 - (iii) Consider a specific target audience in design and plan the web-based content focusing on this group.
 - (iv) Manage image and text resources, and aesthetic aspects of typography, using HTML and CSS for effective communication inclusion in a website.
 - (v) Establish informational and functional aspects for HTML and CSS, such as typographic hierarchies, information architecture and navigational links for use across mobile devices.
- Recent proven teaching excellence, an ability to support curriculum development and excellent communication skills
- Demonstrated leadership and problem solving skills;
- Excellent interpersonal skills; and the ability to build relations and to work collaboratively.
- To design, develop and produce learning and teaching material and deliver the module at 7 and 8 of the Faculty of Design programmes.
- Lecturers will ensure the efficient and effective delivery of teaching programmes in accordance with the College strategy, policy and procedures, contribute to activities which influence leading edge practice and may also undertake research activity.
- Have experience of working in a positive, flexible manner.
- Have experience of openly exchanging information and supporting colleagues
- Have an understanding and be able to demonstrate a commitment to Equal Opportunities and Diversity.

Guidelines for Mock Lecture

As part of the interview process, candidates are required to give a 5 – 10 minute mock lecture, regarding the interview panel as students.

The lecture should cover an item (or items) of the candidate's choice from an existing (or proposed) course offered by the Faculty or Department.

The candidate is free to use whatever medium and teaching aids are appropriate, including laptop and projector, but is encouraged to use new technology.

The lecture should not be the first lecture in a course, nor should it be an overview of a course.

The lecture will focus on explaining a particular aspect of the course to students who are unfamiliar with the topic.

The lecturer should begin by outlining any previous information that the students are expected to know (e.g. "I'm assuming you know how to which we covered last week").

Questions will be asked of the lecturer, either during or after the lecture.
