

Chopped

Server

Freshly Chopped was born in Ireland through pure love of health and fitness, with a true lack of nutritious food available to people wanting to live a healthy lifestyle on the go. The name Chopped is derived from our unique way of preparing your food using our super-hero mezzaluna knife to provide fast healthy food to you over the counter.

Role Description:

- To carry out every chopped service steps on every customer -To operate the freshly chopped EPOS system -To work allocated stations and complete associated duties, including Deli counter, chopping station and EPOS -To practice the highest standard of personal hygiene
- To complete all daily/nightly/weekly cleaning duties -To complete operational opening and closing check list
