**An example of Academic Study Form**

During the first two weeks of the semester students can attend as many classes as they want, to find out which modules they want to follow during the semester.

Students are then required to submit their fully completed **Academic Study Form** to Niamh Walsh to confirm their module choices.

After submitting the **Academic Study Form**, students will be registered for their modules of choice. Once registered, students will gain access to **Moodle** (the Griffith College Online Learning Platform). Module registration normally takes up to three days.

**This procedure will also be explained in detail to the students at their International Office Information Session in Autumn.**
