

**Journalism students...work experience opportunities:**

**AgriLand** is the largest digital news publisher in the agricultural / farming sector in Ireland.

In 2013, **AgriLand** established itself as the first daily farming portal in Ireland, publishing seven days per week, 365 days a year – with content available across all digital platforms, including the free-to-download app.

We have placement opportunities for (Level 8) **journalism** students – undertaking *work experience / internships* as part of their studies.

These placements are in the **editorial department** (where you will be involved in the generation of up-to-the-minute content – encompassing articles and video).

We have **one** placement opportunity in **2020** (typically aimed at those with an interest in breaking news and/or rural affairs – or similar).

These are paid placements (nominally €1,000/month)

To apply, send your CV and a short covering letter, explaining why you're suitable for a placement with *AgriLand*, to:
