

Capacity Ireland has 3 paid architectural assistant internships working in Marseille for 3 months. Starting in mid January 2020.

It's a fantastic opportunity to kick-start your career, to live abroad, gain valuable work experience and make long-lasting international connections in the architectural field.

Here's a breakdown of what Capacity Ireland provides the students;

- * €120 per week subsistence allowance
- * Shared accommodation (own bedroom, shared living spaces such as kitchen, bathroom)
- * A qualification in Digital Media.
- * Language tuition (a French lesson per week and online language support)
- * Flights to and from the destination (including airport transfers on arrival)
- * Travel medical insurance for the duration of their stay
- * Ongoing support and added pastoral care
