

THE RADIO

Eirewave proposes to play only contemporary and Irish music.

It's a unique radio format dedicated to promoting and introducing Irish artists.

We champion the very best in Irish music, from breaking new acts such as Stolen City and JC Stewart to favourites such as Kodaline, Picture This and Gavin James, along with the best of legends like U2, Aslan and Snow Patrol.

PR

Schedule is very flexible, but should be at least 3 hours a week most weeks.

Job Description :

We're looking for someone who is a great team worker, is passionate about music, and wants to explore a career in growth marketing.

Responsibilities:

- Implement the PR strategy and develop engaging content to grow awareness and ultimately listenership.
- Write and land press releases to ensure media engagement across all print and digital publications.
- Engagement with media to ensure maximum publicity opportunities for Guaranteed Irish and drive traffic to the company website and more listeners.
- Obsessed with how language can communicate and inform, an absolute grammar snob

To Apply :
