YOUR FUTURE STARTS HERE

#GlobalAmbition

ENTERPRISE IRELAND

Enterprise Ireland is the Government agency responsible for the **development and growth of Irish enterprises in world markets**. We work in partnership with Irish enterprises to help them **start, innovate and scale** and win export sales on global markets. In this way, we support **sustainable economic growth, regional development and secure employment**. Enterprise Ireland works with Irish enterprises across the full business development spectrum, from early-stage entrepreneurs to established companies and Irish multinational companies, supporting them to grow their business, which is fundamental to creating and maintaining jobs in Ireland.

DID YOU KNOW?

201,108 people employed by Enterprise Ireland supported Irish companies

Enterprise Ireland is the **3rd largest seed fund in the world** according to Pitchbook

Enterprise Ireland has a network of **32 international offices** in key markets from Shanghai to Silicon Valley

A woman with curly hair, wearing a dark blazer and a patterned scarf, is looking off to the side with a thoughtful expression. She is holding a white mug. The background is a blurred office or meeting room. The entire image has a blue color overlay.

THE GRADUATE

These challenging roles require confident individuals who are professional, client focused and highly motivated with the energy and enthusiasm to deliver projects and results. Excellent communication, networking and relationship-building skills, coupled with a teamwork and flexible approach are essential.

NATIONAL PROGRAMME

This is a two year Ireland-based Graduate Programme that offers graduates an opportunity to support Irish enterprises as part of a professional and dynamic team, contributing to our companies' successes and therefore supporting sustainable economic growth.

As Development Executives, working in a range of roles throughout the organisation, our graduates support Enterprise Ireland's work with client companies through all stages of business development, from start-up, to established small and medium-sized enterprises and Irish multinational companies with the ambition to achieve growth and scale. These graduates play a key role in helping Enterprise Ireland to deliver on the vision for Irish business to become a powerhouse of economic growth and job creation.

Graduate Programme with a leading Irish Development Agency. Your future career starts here.
