

GBW are currently recruiting.

We are recruiting for a trainee for our Business Services Department. We plan to significantly grow our business and expand our service offerings in Ireland over the next five years and require ambitious people who wish to progress their careers with our firm.

Trainee Accountant

You will get the chance to complete professional Accounting exams with ACCA during the course of your training contract.

You will want to pursue a career in audit.

- Have strong problem solving and excellent verbal & written communication capabilities.
- Strive to continually improve and deliver quality.
- Have the ability to multi-task, prioritise and manage change successfully.
- Happy to work as part of a team of professionals, or independently if so required.

You will be part of a team, working with great people, gaining exposure to a wide variety of clients and getting a start on the road to a career in the world of accountancy.

We are a member of the TGS Global International network.
