

Horse Racing Ireland is a commercial semi-state body whose mission is to develop and promote Ireland as a world centre of excellence for horse racing and breeding.

Photo Finish Operator - Casual

The Photo Finish system is operated by Horse Racing Ireland on all 26 Irish Racecourses ensuring that a fully electronic High Definition Photo Finish and results service is provided. Horse Racing Ireland now seeks to recruit a number of casual Photo Finish Operators to join a panel of people we can call upon to work at racemeetings.

The Role:

- Install and operate photographic, computer, mirrors, timing and audio-visual equipment to produce photo finish images
- Develop a strong working knowledge of the software and its capabilities
- Provide efficient daily support and assistance to the Judge
- Ensure each horse is accurately placed and accurate data is sent to service providers
- Follow all company procedures and protocol

The Ideal Candidate Will Have:

Strong IT skills with experience of photographic equipment would be a distinct advantage. Proven field service experience with the ability to multitask and work to deadlines, working as part of a team and on own initiative. Excellent organisational and communication skills. An interest in the racing industry would be an advantage. A full drivers licence is required for this role.

Work is on a casual basis meaning successful applicants may/may not be required to work depending on the requirements of the racing calendar. Rosters are prepared in advance to allow for planning.

If you are interested in this position, please apply with a copy of your CV by close of business on Friday 22nd February 2019 to recruit@hri.ie.
