The role will involve close interaction with the internal CHBC team, consultants, suppliers and clients.

Duties and responsibilities:

- Working with the CHBC Design Team to create office fit out layouts / Test-Fits
- Ensure the design complies with current location building regulations and H&S standards.
- Liaise with our suppliers to source appropriate design led FF&E
- Produce drawings, elevation and digital mood board presentations to articulate the design
- Work with the design team and prepare preliminary design concepts, presentation package etc
- Prepare initial scope of work for the construction team to price
- Lead, manage and ensure multiple projects at various stages are completed to schedule and on budget

Required experience:

- Educational qualification in Interior Architect
- High attention to detail
- Ability to work in a collaborative fast paced environment
- Strong communication, organisational and interpersonal skills
- Proficiency in AutoCAD, Photoshop, Sketchup skills beneficial
- Ability to work both independently and within a team environment
- Must hold an EU or a valid work permit
- Must be proficient in English

This is an unpaid internship, however travel expenses will be paid on a weekly basis.
