

Keveny Monahan, Chartered Accountants and Statutory Audit Firm is recruiting for a Trainee Accountant.

The successful candidate will receive the opportunity to gain broad and varied experience, working closely with seniors and managers to support a broad range of clients across multiple industries, providing sector-focused business consultation and accountancy services.

General duties may include tasks such as working on bank reconciliations, preparing accounts for individuals and companies, PAYE/PRSI returns, audit work, preparation of annual taxation and companies returns.
