

Louise Carey & Co.

Financial Data Inputting (Work from Home)

Louise Carey & Co is an accountancy firm based in Listowel, Co Kerry, Ireland and would like to offer potential candidates the opportunity to work from home. They have a large volume of financial information that is required to be inputted onto excel. Successful candidates will be emailed copies of financial ledgers and bank statements with instructions as to how the information is to be presented in excel.

- Accuracy is essential
- Candidates must be proficient in excel
- And have a strong eye for detail and accuracy

Fees will be mutually agreed in advance and payment will be made banking online once the appropriately updated excel sheet is returned by email. If interested, please apply to work@taxconsultant.ie
