

Dear Applicants,

We are a family run warehousing and distribution company called Lucey Transport Logistics based in Rathcoole Co. Dublin. We have a number of vacancies due to requirements for voice pickers in our warehouses. These positions would suit students that are looking for a number of months work/ permanent and it would be an opportunity to earn a steady salary and work in an exciting and fast paced environment. If anyone would like to speak to us further about joining this exciting company, please see my email details below where they can forward a cover letter and CV for further info. We also provide a bus service from Dublin city centre for our workers to help with the commute.

We have positions for Reworkers also that pack and pick our stock.

#### Voice Pickers

##### Responsibilities:

- Pick, pack, and prepare merchandise for shipment to stores and for restocking shelves.
- Pull orders according to electronic voice command issued by voice prompt software.
- Pick items from the warehouse and pack orders, properly and carefully.
- Verify delivery location for all orders and update location database, correctly.
- Stack, arrange, and secure all ordered items on the pallets.
- Use electric pallet jack and transported pallets to shipping platforms, safely.
- Scan all packed orders prior to shipping and shipped them, on time.
- Compare match all product number and order description, efficiently.
- Receive, store, and maintain all inventory of items and supplies.
- Prepare, maintain, and correct reports and records related to inventory and orders.

Reference ID: Voice Picker2021

Expected Start Date: ASAP
