

McSport

Summer Internship Programme

ROLE DESCRIPTION:

We have an exciting opportunity for a skilled individual to join us on our Summer Internship programme. You will be based in our Sandyford HQ and work alongside our highly skilled team. Not only will you be working on McSport.ie in migrating it to a new platform, you will also be working with the HIT FITNESS brand in its surge to an eCommerce site with marketing campaigns and brand building to back it up.

WHAT DO WE NEED?

Content Creation (Video/blogs/product content) | Digital Marketing | UX Design | Visual Communication Design | Business Analyst

We aren't looking for a particular skill set, what we are looking for is someone who can rise to a challenge. We are a fast-paced, energetic, often chaotic operation but what we do achieve, is results! You must be able to work under pressure in an ever-changing environment. If you have an interest in strength & fitness branding you'll love this!

WHAT'S IN IT FOR YOU?

- Work with a brand on a major growth spurt.
- Unlimited amount of free fruit and coffee.
- Perfect day shift 8.30am – 4.30pm.
- Expand your experience with a highly skilled team.
- Sandyford location with free parking.
- Possibility of permanent position depending on business needs.

HOW DO YOU APPLY?

Send us a cover letter or video application (preferred) on what you could bring to McSport along with your CV to lorraine@mcsport.ie
