

Part-Time CAD Technician

We are looking for a part -time CAD Technician to work with us for three days a week. We are a design, branding and procurement company mostly for commercial and hospitality spaces. We also specialise in dental practices. We are based off Merrion Square.

We need someone who is methodically proficient with CAD and flexible in terms of doing some design work and sourcing. They also require good knowledge of the current building regs.

Please send your CV to liz@mortarandmore.com
