

Nua Healthcare Services Building and Planning Department
Architectural Assistant

Nua Healthcare Services Building and Planning Department are looking for an Architectural Assistant. Nua Healthcare specialises in providing residential care, community outreach and day services to adults and children with complex support requirements on both the Intellectual Disability and Mental Health spectrums. Nua currently has 44 properties across Ireland including 38 community dwellings and 6 dedicated day service facilities.

The position is essentially to assist and support the design and building team in the survey, design, procurement and construction of community dwellings providing care mostly for people with intellectual disabilities and autism.
