PHOTOGRAPHER/VIDEOGRAPHER BRIEF

Organised Chaos, Ireland's number one Professional Organising and Decluttering service requires a photographer for a variety of images.

About us:

Professional organising is the art of maximising the space and functionality of a home or a business. All our services are designed to give you real and lasting results. Our goal is to get your space working for you, banish clutter and make your life more comfortable through organisation. With us, it's more doable than you think ...and it's fun!

Sarah Reynolds is an Organising expert and the owner of Organised Chaos. Sarah has shared her experience on radio, TV and print media nationwide.

What I need:

A photographer and/ or videographer - final year or recent graduate - to take variety of shots/ videos including but not limited to the below.

I would love to start working with someone on an ongoing basis whereby we could set up a monthly arrangement to ensure a flow of new images for marketing purposes.

Images will be used for a variety of projects including marketing material, exhibition, website, social media, print.

- 1 minute videos - PTC/ organised spaces - shot and edited
- Behind the scenes videos of our work
- Shots of "before and after" in office spaces we're working in
- Shots of "before and after" in homes we're working in
- Shots of executives around a boardroom
- Interior shots - inside kitchen cabinets, organised wardrobe, organised shoes, organised bathroom cabinets, organised files

I need a photographer & videographer who will help me make getting organised fun (and sexy!). They will appreciate and can capture the beauty of fabulously organised spaces! (see www.thehomeedit.ie for the images I'm aiming for). Creative, takes initiative, hard working, would like to be in at the start of something new, forward thinking.
