

Private Home Renovation Full Service Interior Design Graduate

We are looking for a full service interior designer graduate that can start immediately to work on our new build 3-story house, 1,642 SQ.FT, located in Dublin 18.

- You are a creative interior design graduate.
- You know how to manage budget and to collaborate and coordinate different suppliers and Vendors.
- You have an adaptive style that can make every customer happy.
- You are moving fast and work well under tight budget and deadlines.
- You are comfortable overseeing suppliers and you will not settle on quality, style and efficient space.

As an interior designer and project management you will be:

- Space planning & Layout
- Design & Styling
- Sourcing & Shopping
- Project Management
- Home Staging
