

Vacancy Notice

Structural Designer / Preproduction Sample Maker

Smurfit Kappa Dublin
Ballymount Road,
Walkinstown,
Dublin.12.

Smurfit Kappa Dublin is seeking applications for the new position of Structural Designer/Pre-Production Sample Maker.

Candidates must be a highly motivated, enthusiastic and creative with good communication skills. The role will involve interaction with both colleagues and major customers so willingness to work in a fast moving environment where enquiries are turned around in a short period of time is essential. As a Structural designer/sample maker you will work on a range of projects and must have an excellent creative flair and the proven ability to think outside the box.

Specific skill requirements for the role include :-

- Fluency in English required, verbal and written
- Good technical ability and understanding is required
- Creative design flair and ability to work on own initiative
- Strong Computer skills required with the willingness to learn
- A 3rd level design qualification is essential; also a proficiency in CAD systems and knowledge of Microsoft Office packages is preferable.
- While not essential, previous work experience is an advantage.

Interested candidates should send their CV and details to Joe Kennedy, Design & Account Manager, Smurfit Kappa Dublin, Ballymount Road, Dublin.12.

Please send your CV to Joe.Kennedy@smurfitkappa.ie
